

# Data Science & Machine Learning Capstone Project

AI Explorers

Predictive Modeling of Fire Risk

March 2019

## TEAM

CARLOS FERREIRA

DIMITRIS KATSAOUNIS

HESHENG CHEN

LEIDY BARRERA

ANDRES URREGO

## Project Overview

Help the Fire Department of Montreal to improve their readiness to combat fire in the city by using Machine Learning.

## Deliverables

### Documentation:

1. Final Presentation (Google Slides)
2. House Risk Level Modeling Report (PDF)
3. Six Month Fire Predictor Modeling Report (PDF)

## Where to find the project documentation?
